

## Apologies - Cllr Chris Rose

Following advice from Sarah Mason, I regret that I have to give my apologies for tonight's Full Council Planning meeting. This meeting is to discuss planning application PA16/03990 for which I have two pecuniary interests. Firstly, the geographic location of my property, namely next to the application land, which could have a negative effect on the value of my property. Secondly as a director of Sunshine Residents Association Ltd which has responsibility for the upkeep of the surface of Downs Lane Park and Downs Lane which the applicant has proposed access onto. Both my property and directorship of Sunshine Residents are recorded on my register of interests.

I would be grateful if you could please minute the reasons for my absence.

Cllr Chris Rose
