

## **Looe Community Academy Report for Looe Town Council Monday 9<sup>th</sup> January 2017**

### **Out of School Activities**

Four year 8s attended a Maths Masterclass at Plymouth University during the last week on November, they were a credit to the school, showing great resilience and lots of intelligence.

Also in November, five Year 10 students took part in an Engineering challenge at RNAS Culdrose in Helston. They had to design and make a device from scratch and then compete with other local schools. Unfortunately, they did not win, however they gained valuable experience and new ideas.

Two of our students have attended the second student council meeting to discuss benefits and concerns of working in partnership with other schools who are part of a Multi Academy Trust.

### **Fund Raiser Events in School**

We have raised £197 towards this year's Poppy Appeal.

On the final day of term, we held a Mufti day in aid of Save the Children's campaign 'Christmas Jumper Day'. A sum of £467.42 was raised.

Students have been using their craft and technology skills to help others less fortunate than themselves. Year 8 students made 100 dresses from pillow cases in their Design and Technology Textiles lessons which, through the charity, Little Dresses for Africa, will be sent out to those children in need.

### **Christmas**

The Christmas concert took place on Wednesday 14<sup>th</sup> December, which had a great turn out with most seats filled. This was then followed by a whole school Reflection assembly on Thursday where they showcased some of the performances.

### **Senior Student Leadership Team**

We now have seven new positions in our Senior Student Leadership Team, which consist of; myself as Head Girl, Nathan Frankland Head Boy, Rhys Richards Ambassador for Success, Robyn Smith Chair of Student Council, Sophie Deakin Head of Houses, and Tobias Robertson Ambassador for Health & Well Being.

**Rebecca Jeavons  
Head Girl**
