

LOOE FIREWALK – 13TH APRIL 2017

Are you fisherman enough?

Challenge yourself (and your friends) to walk over hot coals and help raise money for the Fishermen's Mission.

We're organising a firewalk in Looe, Cornwall on **Thursday 13th April 2017** ... and you can join us.

For more information and to register visit firewalk-looe.eventbrite.co.uk

Details

CONGRATULATIONS! You've just taken the first step towards raising much needed funds for the Fishermen's Mission.

On Thursday 13th April we're hosting a fire walk in Looe, south east Cornwall. Why not challenge yourself, your team mates or your work colleagues to conquer the coals? Are you [fisher] man enough or is it mission impossible?

Will your friends sponsor you to do it? Can you raise extra funds? It would be great if each participant could raise sponsorship of around £100, but you can just book your place and take part. Check-in is at 6.30pm on the day, training commences at 7.30pm, the fire is lit at 8.30pm and the firewalk will take place at 9pm. Afterwards, there will be a presentation of medals and certificates followed by time to celebrate.

To book your place, complete the registration information, and pay your £30 registration fee.

Here: <https://firewalk-looe.eventbrite.co.uk/>

You will receive your voucher by email immediately after registration. We will send you information about check-in location nearer to the event date.

Helping to deliver the event are: Looe Harbour Commissioners, the Sail Loft Restaurant and Looe Music Festival. We look forward to welcoming you in Looe on 13th April and to conquering the coals together!
