

Looe Community Academy Report for Looe Town Council Monday 19 February 2018

1. Christmas Concert 2017

On the last day of the Autumn Term, the school presented our yearly Christmas Show, with students performing various acts such as dancing, singing and acting. As well as this a mufti day was arranged to raise money for Macmillan Cancer Support, a total of £290 was raised.

2. Year 11 Intervention Sessions

The school has arranged intervention lessons for students that require support in English and Maths, along with French and Spanish, together with revision and homework clubs. All Year 11 students are now working hard and preparing for their GCSE exams in the summer.

3. Healthy Schools

Well done to Year 9 students for being chosen to work closely with Healthy Schools to make a film about external agency access and support for young people around bullying, LGBTs, personal and social issues.

4. Careers Interviews for Year 11 students

Mr Grigg from Careers South West visited the school recently to provide careers interviews with the intention of stimulating the students' minds to be aware of their future and to start planning ahead.

5. Trip to Iceland

Some students in Year 10 and 11 enjoyed a trip to Iceland during February half term. The trip aimed to enhance students' learning experiences especially in the areas of Geography and Science.

Please note: Unfortunately, the Iceland Trip did not take place.

6. School Production – High School Musical

On the 7th and 8th of February the school's music, drama and dance department presented a remake of High School Musical, along with a matinee performance for the local primary school children on the 6th. We welcomed the Mayor Armand Toms and his guest together with the staff from Looe Town Council to watch this on the Thursday and we hope they enjoyed it.

**Ellie Bloomfield
Chair of the Student Council**
