

**Planning and Public Consultation Annual Report  
May 2018**

It has been a relatively quiet year for the Planning Committee with regard to contentious applications. Of the 86 applications that were determined in the year May 2017 to April 2018 inclusive, 82 of our recommendations were endorsed and agreed by Cornwall Council Planners. This represents an agreement rate of 95%, which shows that the Planners only got it wrong 4 times, an improvement on previous years! Special thanks must go to Cllr Mrs Michala Powell who deputised for me when illness or holidays caused my absence, and our Committee Clerk, Annette, whose accurate minute taking and observations have made my job much easier. I hope the next Chairman has an equally enjoyable and worthwhile year.
