

Looe Community Academy Report for Looe Town Council Monday 21 May 2018

1. On Tuesday 24 April we celebrated the Class of 2018 with our annual Year 11 Record of Achievement evening and to recognise once more just how talented and exceptional our Year 11 students are. Our guest speaker this year was ex-student Giel Spierings. Giel founded the Cornish Gouda Company to successfully diversify the family dairy farm. The 2018 Prom will be held on Friday 22 June at the Hannafore Point Hotel.
2. During April some of our students went on a trip to Iceland along with their teachers. This was a fantastically successful trip which aimed to enhance students' learning experiences especially in the areas of Geography and Science.
3. Formal GCSE examinations are now underway and students are working hard to achieve their best grades.
4. Last week we held our annual GCSE Fine Art, Textiles, Engineering and Resistant Materials Exhibition. It was lovely to see parents, carers and Governors at the event admiring the amount of time and effort the students have put in to their end pieces. We are immensely proud of our students and the amount of time our teachers support the talent here.
5. We received a very positive letter from Bodmin College this week where they shared destination information on some of our ex-students who are doing fantastically well with their career ambitions.
6. Last week we held a 'Sportswear' Mufti day and Dance-a-thon in memory of teacher Miss Goodwin. The day was a great success and the funds raised of £753.08 will go towards commissioning an artist to produce a sculpture in her memory.
7. We would like to thank Looe Town Council, West Looe Town Trust and St Martin's School Trust for their kind offer of financial support through their Further Education Grants programme for our learners.
8. We welcomed our new Deputy Headteacher, Mr Yalden, at the start of this summer term.
9. Some of our musically-minded students will be travelling to London in the half term holiday to see 'School of Rock' in the West End. They will also enjoy the waxworks at Madame Tussauds and take in the wonderful sights of our capital city.

**Ellie Bloomfield
Chair of the Student Council**
