

Planning and Public Consultation Committee - Annual Report

It has been a fairly busy year, having received 86 applications from Cornwall Council for discussion and recommendation by the Town Council Planning Committee. Cornwall Council Planning and Sustainable Development Service have been in agreement with Looe Town Council Planning Committee 94% of the time, which shows we are doing well.

I wish to thank all of the Town Council Planning members for their attendance and hard work on this Committee. Special thanks go also to Councillors Mrs Hannaford, Toms and Lundy and the Neighbourhood Plan Steering Group for their excellent work on producing the Looe Neighbourhood Plan.

Particular thanks to Assistant Clerk, Annette Keen for all of her hard work.

Cllr David Bryan
Chairman
Looe Town Council Planning Committee
