

DRAFT E-MAIL TO BE
SENT TO ALL
COUNCILLORS

Dear all

Re: Planning Committee

Looe Town Council are Statutory Consultees for any planning application submitted to Cornwall Council.

It is very important to our town and its residents to exercise our right to make our recommendations bearing in mind all planning laws, policies etc

However, at the moment we only have two members of the committee (and therefore no committee), this situation cannot continue.

We have two choices:

1. Reform the Committee with a new Chairman and Vice Chairman and comply with the paperless planning system

Or

2. Write to Cornwall Council and withdraw our right to be Statutory Consultees and be answerable to our residents

I would ask you all to consider these options very seriously and inform me of your intentions/decisions at the next scheduled Planning meeting on 13th October.

Your decision is very important to this Council and please remember that you were elected to serve the best interests of our residents.

Kind regards.

Armand Toms
