

MAYORS REPORT APRIL 2016

MAYOR'S DINNER

Can I thank everyone that attended the Mayor's Dinner on the 18th March, 2016. It was a really successful evening and I wish to thank all those involved in organising the event and gave so generously in time, money and gifts for auction and raffle. The night raised £2236.30 for the Mayor's charity and I hope to be able to distribute this soon.

ALLOTMENTS

The road and the parking area into the new allotments is in progress as we meet. This is in no small part to the works of Councillor T Stacey who had given his time to push this project forward. He has worked hard on this project and this should be recognised by us all. I thank him for this work on behalf of the Council.

ACCOMMODATION

I have called a meeting of Council to discuss the situation with the accommodation needs. The current situation needs to be addressed as a clear direction of choice so that a full business case can be put forward for the Council and town.

PUBLIC CONVENIENCES

Work continues on the Public Conveniences in the town, the completion of the Seafront has brought some very positive comments. Although the original plan was to complete these works by Easter this was not possible due to the delay in issuing the contract.

TOWNS ORGANISATIONS

As you will know there are a number of organisations celebrating 150, 50, 30 and 25 year celebrations. It would be good to organise something for them all and I would appreciate Councillors ideas on how these should be marked.
