21st December 2009

The Town Council has asked me to convey their thanks for the support and help that you have given to this year's Town Council and Lantern service.

Your participation has made this an event for all who participated a night to remember and is a fine example of the different Town organizations all working together for the betterment of the community.

We would like to wish you all a very happy Christmas and a very healthy and happy 2010.

Kindest regards

Michael Joy
Mayor of Looe
