

Deputy Mayor's Report

October 2019

It was a great pleasure to present a bouquet of flowers on behalf of the town and council to a local couple on their 60th Wedding Anniversary. I just hope that Liz and I can be just as sprightly when our turn comes.

Having agreed to litter pick at the Looe Live event, I don't think I have watched a weather forecast so much in my life having memories of growing webbed feet at last year's event. I need not have worried. The message of litter had certainly got out as most of what we collected in our three-hour stints were cigarette ends. Most of the festival goers came to us with their litter and the town certainly looked litter free and clean.

I would like to congratulate the Mayor and Mayoress on an extremely successful Civic Sunday. I had to look up as Trelawny was sung to make sure the roof of the church was still on. Annette, with support from Laura, had everything covered and they are to be commended for what they did.

This morning I chaired the Bathing Water Quality meeting with various agencies and town organisations, and I am sure Cllr Armand Toms will update council accordingly.

Coming events that Liz and I will be attending are the Launceston Civic Service on Sunday 3rd November and the Service of Annual Remembrance and Wreath Laying on Sunday 10th November in the afternoon at St Columb Major. This will be after our own Remembrance service in the morning.

I would like to take this opportunity to thank councillors for their support following my recent health hic up. You will be pleased to hear that all cylinders are firing and that my recent short leave of absence is at an end.

Cllr Chris Rose
