UPDATE FROM CORNWALL COUNCIL RE MILLPOOL CAR PARK PAY ON EXIT

Looe Town Council has received this update from Cornwall Council regarding the Pay on Exit system for Millpool car park:

“Cornwall Council are in the process of finalising the recruitment process for the staff that will operate the intercoms for the pay on exits car parks and it is anticipated that the staff will be in place by March.

This will then enable us to go-live with the remaining Pay on Exit sites (including Millpool, West Looe) as soon as possible after this date”.
