

## **A message from the Mayor, Councillor Martin Gregory**

We recognise that with the constantly changing COVID-19 situation around the world, this is an unprecedented time for everyone — a time that, for many, is filled with uncertainty. Our hearts and thoughts go out to each and every one of you.

I want you to know you have our commitment to continue providing you with the services you depend on. All Committee's, apart from Planning have been cancelled and Full Council meetings are currently scheduled to proceed on a monthly basis.

We want to reassure residents that the Town Council and its services have robust contingency plans in place, and we are following all advice issued to ensure public safety is maintained at all times.

We have organised a meeting with all the major organisations in Looe and the surrounding areas to develop a co-ordinated support network to enable help to be given to those who require it. If you are willing to volunteer in one of the following areas please email
