20th March 2020

COVID 19 UPDATE - LOOE PUBLIC CONVENIENCES

Looe Town Council have taken the difficult decision to close 3 sets of public conveniences in the town – Seafront, Millpool and West Looe – with effect from 5pm on Friday 20th March until further notice.

Guildhall and Hannafore public conveniences will remain open (unless further restrictions are announced) between the hours of 8am and 6pm. Out of these hours, the facilities will be locked, including the disabled and mother and baby facilities.

This difficult decision has been taken in order to minimise any possible spread of infection to both members of the public and our cleaning operatives. It will also allow our team to undertake regular and thorough cleansing of these facilities.

Looe Town Council appreciate your understanding in the current uncertain and difficult times.

Cllr Martin Gregory
Mayor of Looe Town Council
