

LOOE CORONAVIRUS SUPPORT

If you would like to volunteer to help your neighbours please register by emailing volunteer@looetowncouncil.gov.uk with your contact details and type of support you can offer i.e. shopping, befriending, education (there is a form on our website).

Find more information by visiting our Facebook page @looecoronavirussupport or Looe Town Council website www.looetowncouncil.gov.uk

If you are not on email contact Looe Town Council 01503 804099. Once registered please deliver the #viralkindness postcards to neighbours in your street, estate or locality filling in your contact details. The post cards can be downloaded and printed from our Facebook page and website or there is a supply in West Looe and Barbican Spar Shops, The Guildhall Market, Looe Library, or Stratton Creber East Looe.

Please email details of the area you have delivered to so we don't duplicate effort.

If a neighbour contacts you, seek to reassure them and let the town council know their requirements by emailing support@looetowncouncil.gov.uk and we will match a volunteer in that locality to their needs, if you are unable to assist directly.

Further details will follow as we build the support network for the town.

Thank you for your support, we are a strong community who will prevail.
