COVID 19 UPDATE – LOOE LIBRARY AND TOWN COUNCIL OFFICES

Looe Town Council have taken the difficult decision to close both Looe Library and Council offices to members of the public with effect from 5pm on Friday 20th March until further notice.

This decision has been taken in order to minimise any possible spread of infection to both members of the public and our staff.

For all enquiries, please contact as follows:

To contact Looe Library, please ring 0300 1234 111 or email: looe.library@liscornwall.org.uk

To contact Looe Town Council, please ring 01503 262255 or email: enquiries@looetowncouncil.gov.uk

Although the Library and Council offices will remain manned at this present time, our staff will be unable to assist with any enquiries face to face.

Thank you for your understanding.

Mayor of Looe Town Council
