

WHAT ARE YOUR TOWN COUNCIL DOING FOR YOU?

As Your Town Council we are taking everyone's wellbeing very seriously. We are working as a Council to give all residents a central place to contact if they need help through our Pandemic Coordination Group.

From the Mayor – Councillor Martin Gregory 9th April 2020

“Residents of Looe, we need your support”

We anticipate that the lockdown will continue

“We must protect the most vulnerable people in our community”

Once more I have to say how proud I am of our community and the host of volunteers, businesses, essential and key workers who are ensuring our safety.

Looe's response to the Covid-19 pandemic is now recognised as leading the way for others and lessons learnt here are helping and supporting many other communities across Cornwall.

With the Prime Minister thankfully recovering from the Corona virus and the Easter Bank Holiday weekend looming we expect the lockdown introduced on the 23rd of March to continue. I am calling on **everyone** to respect this and ensure that the most vulnerable amongst us stay safe.

Despite the best efforts from the police and the government people may still be planning to visit our beautiful town. If you believe that holiday accommodation might not be complying with the new regulations then please contact **Cornwall Council** at covid19@cornwall.gov.uk

Our Town and Cornwall Councillors, Edwina Hannaford and Armand Toms, are not only ensuring that they play an important part in the Town's response but are also continuing to serve on behalf of Cornwall which is an incredible feat. My personal thanks go to them both for their tireless commitment to the community. Cllr Toms is also supporting businesses via our new Looe Business page and Cllr Hannaford is also leading the Looe Town Council Community Cupboard initiative to provide necessities for families during the crisis. Please follow **Looe Give and Take** on Facebook.

Our befriending line is now active. Self-isolation and social distancing are incredibly hard, sometimes you just need to speak to someone. Our amazing volunteers are there for support, advice or just a friendly chat. The number to call is **01503 804101**.

We have also created the Looe memorial page for those who have lost a loved one during this time of isolation. Your community grieves with you and, although they cannot be there, we hope that this page will provide some solace at your time of grief.

I will join with you at 8.00pm tonight to give thanks to the selfless NHS staff, key and essential workers. **My thanks go to you all.**

Stay safe
