BUSINESS SUPPORT

There are many businesses within the Town and we are aware of how the COVID 19 pandemic is dramatically jeopardising income across many if not all sectors. Although this is an uncertain time we want to reassure you that we are coming up with new possibilities and strategies daily to support our business network within Looe. We believe that once this is over, the fundamentals, attributes and huge community spirit will draw tourism back and allow us to carry on trading and loving our beautiful town.

A business impact survey has been generated and circulated on the Looe Town Council Facebook page, if you do not have access to Facebook please email:

enquiries@looetowncouncil.gov.uk or phone: 01503804099 for a printed copy to be made available to you. Once collated the evidence from all submissions will be used for further potential business support.

Please be made aware that there are forums and platforms that can provide you with expert advice.
