# More places to pay, closer to you

Did you know, Council Tax and Business Rates can be paid for at **PayPoint** or **Post Office** sites? ●

PayPoint accepts both cash and card payments whilst most Post Offices will still accept cheques. Offering greater flexibility and choice, PayPoint stores have longer opening hours, often including weekends. Look out for the PayPoint logo and make sure you have your Council Tax or Business Rate bill to hand.

## Do you live outside Looe?

There are also locations to pay in Polperro and Pelynt.
