IN ATTENDANCE

There were a number of members of the public and representatives from various Looe organisations in attendance

1.	THE MAYOR WILL ADDRESS THE MEETING Cllr Edwina Hannaford, Mayor of Looe, addressed the meeting. Please see a copy of speech at Appendix A	
2.	TO RECEIVE QUESTIONS FROM LOCAL GOVERNMENT ELECTORS Questions were raised by those attending and responses given as set out below: Q1 – Unisex toilet in West Looe can be smelt before you get there and has always been a problem. Can anything be done? The toilets there have recently been deep cleaned and we believe that there is a more fundamental problem there with plumbing which Officers are currently following up.	

	<p>Q2 – The Millpool area is a disgrace, possibly unsafe with grass that needs cutting and the whole area needs revamping – what’s happening there?</p> <p>The Town Council recognise issues and, although the area is responsibility of Cornwall Council, we could lobby more for work to be done there and ask for it to be devolved to the Town Council. The area is on our devolution list but is part of a ‘package’ to be negotiated with Cornwall as we would expect any assets to be in a fit state at the point of being devolved to us.</p> <p>Q3 – Is anything being done about Sunrising Lane – it’s falling down and the hedge is falling into the path?</p> <p>Councillors have also noticed this and the path is an adopted Highway. However, ownership of the path sits with different parts of Cornwall Council which is making it harder to resolve the issue. Town Councillors are speaking up about this with Cornwall.</p> <p>No further questions were raised</p>	
<p>3.</p>	<p>TO CLOSE THE ANNUAL TOWN MEETING</p> <p>The town meeting closed at 7.50pm</p>	
<p>4.</p>	<p>TO RETIRE FOR REFRESHMENTS</p> <p>Cllr Hannaford invited all those present to join Councillors for light refreshments following the meeting.</p>
