

Name of Organisation or Group:

NYE Fireworks

Purpose of Organisation or Group:

To organise the NYE fireworks

Purpose of Application:

We are a small group of volunteers who are wanting to raise the money so we can have the fireworks in Looe on NYE. As I'm sure you are aware this is an annual event enjoyed by both the townsfolk and visitors alike, we raise the money to pay for it by donations from the public and local businesses. The children's fireworks historically go on for only 6 minutes and the adult one for 9 minutes. We have asked to increase the children's one to go on slightly longer as so many come to the town for the event and it was felt that the children's one should be slightly longer.

Total Cost:

£6,600

Description and Value of Funds from Received / Pledged from Other Sources (Identify Sources)

We have asked several businesses in Looe to donate and intend asking more. On NYE we managed to collect over £1000 so we are in a much better position than last year but we still have a long way to go to pay for this event We have so far approached the Portbyhan hotel, Tregoed, Pebbles, and they have pledged donations, I will be asking more businesses in due course

Value of Donation/Grant Requested from Looe Town Council:

£2000.00 or any amount which you are able to give.

Describe how the Project will be Sustained in the Future:

The fireworks are always down to donations so we will always need to fund raise for this event.

Town Clerk's Note

The Council's donation policy only allows one grant to an organisation in a financial year. The Council last gave the NYE Fireworks a grant in April 2023 so if Council are minded to approve this application the grant could not be paid until April 2024.
