Purpose of Grant

What will the grant be used for?

The Grant will be used towards the fireworks which we have in Looe on New years eve.

Eligibility

Please explain how your project directly benefits the people of Looe.

This is an annual event which brings in tourist's to Looe, but also the people of Looe love and support the event.

We expect applicants to provide match funding equivalent to the level of grant they are requesting. How will this project be match funded?

We raised money at 2023 NYE, and we are planning to have a couple of events to raise funds, we have approached businesses to ask for donations, we have set up a gofundme

page so that the public can donate and we have collection tins all around Looe.

Have you received any funding from the Town Council previously? If so please provide details of the value of the grant (s) and the date the grant (s) were approved.

Yes, we received a very kind donation last year of £2000 to cover the deposit.

Please explain how your project will support our vision for an improved quality of life and environment for Looe as a great place in which to live, work, visit and invest.

This event brings both the town, both businesses and the residents together to enjoy the event, as everyone contributes.

Costs

What is the total cost of the project: £6,600

Amount of grant requested £2000

If any single item exceeds £1,000 how have you identified that this is the best price?
